4 Lakes & Some Bumps

56 miles
3522 feet of climb

This is a spectacular and challenging Adirondack ride, along rivers, 4 lakes, and through wilderness. Take food and water. Starts gently along the Saranac River on gorgeous, rolling roads with beautiful water views.

Stop and pause before the bridge at Franklin Falls. Look out over this open pond and soak in some Adirondack peacefulness. Quiet climbs and descents lead to a quick view of Whiteface Mountain. Then on Plank Road, get an eye full of Catamount Mountain!

Follow the Catamount cliffs, before turning towards Taylor Pond and Silver Lake. Some more hills bring you to beautiful Union Falls Pond. The loop takes you to the panoramic mountain views on Norman Ridge. Or before Norman Ridge Road, take a short side trip to the local deli.
