Fish Hatchery

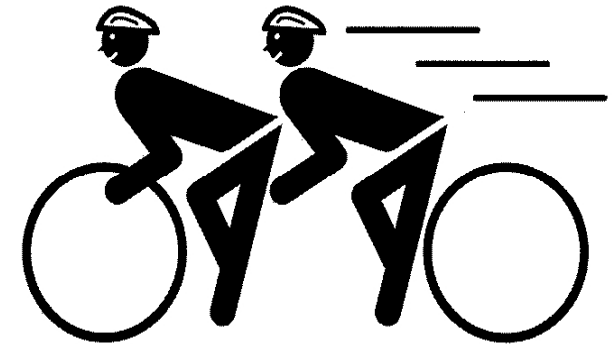

36 miles

2448 feet of climb

The ride follows SR3 past Lower Saranac Lake, with beautiful views of Crescent Bay and Pope Bay. Turn off on CR 45, passing a peaceful lily pond and up a short climb.

The ride turns more gradual, along roads past Fish Creek Pond. Swing onto Fish Hatchery Road; stopping at the Fish Culture Center. Check out the salmon raised here in the building out back.

Take Forrest Home Road over the hill, passing Lake Clear and Little Colby Pond, back to Saranac Lake.
