Ray Brook & Mt Pisgah

8 or 14 miles

556 or 980 feet of climb

Mount Pisgah

Saranac Lake's ponds and mountains are looped by this 8-mile ride. Ride through Saranac Lake historic downtown, then climb on easy slopes around Mt Pisgah, the local ski mountain.

Enjoy history with a ride past Robert Louis Stevenson cottage. Ride around Moody Pond, which is beautiful! (worth doing an extra 1-¼ mile loop around). Come back later to hike Baker Mountain.

Raybrook & Mount Pisgah

14 miles of Saranac Lake waters and views are seen on this ride. Ride along Lake Flower, with its wide, still water. Then bike past wetlands and on quiet Raybrook Rd.

Loop back to Saranac Lake, passing Lake Flower to the town hall and historic downtown & join the Mt Pisgah ride described above.
