Explore the Remote North

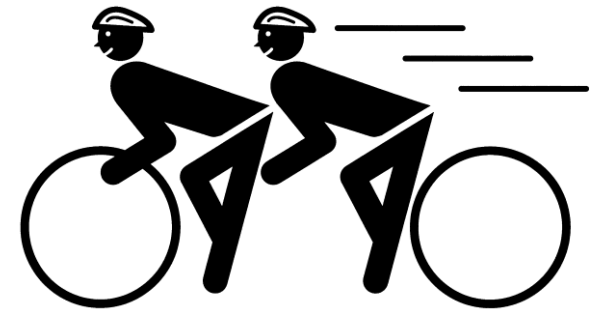

68 miles

4200 feet of climb

This is a spectacular and challenging Adirondack ride, goes through the downtowns of Bloomingdale and Onchiota before heading into the wilderness. Take food and water, there is a 50-mile stretch with no services. Starts gently along the Saranac River on gorgeous, rolling roads with beautiful water views.

Ride along Loon Lake then take a roughly paved road for nine miles with nary a building to be seen. Lots of aquatic wildlife however!

Return toward civilization along SR30, stop by The VIC for some light hiking. And, of course, Donnelly's Ice Cream. But, just before the ice cream stop, don't miss the spectacular view from the Harrietstown Cemetary, people are dying to get in there:).
